ABOUT ME

Full Stack Developer with hands-on internship experience in MERN stack, PHP, and MySQL and Tailwind CSS. Skilled in building responsive web applications, secure APIs, and admin panels. Eager to contribute and grow in a professional development environment.

EDUCATION

Uma Vidhya Sankul (HSC) | 2022-2023

Percentage : 60%

Saurashtra University | 2023-2026

Bachelor of Computer Applications.

CGPA : 7.86/ 10

WORK EXPERIENCE

6-Month Internship

Full Stack Developer – King Technology

Worked as a Full Stack Developer Intern at King Technology during a 6-month internship, contributing to the development of responsive web applications using modern frontend and backend technologies. Gained hands-on experience in API integration, database management, debugging, testing, deployment, and collaborating with the development team on real-world projects.
